"You know, cats are not very good writers."

"Eh?"

"Because they say "I can" when they should say "Can I""

"Oh."

"Also, they spelled has with an s, instead of a v and an e."

"Oh, well, you know, it must be hard with them having paws and all."

"And they spelled cheese wrong."

"But don't you think it is clever of them to write those things?"

"Yes. But I wouldn't make those mistakes."
